coach fact sheet

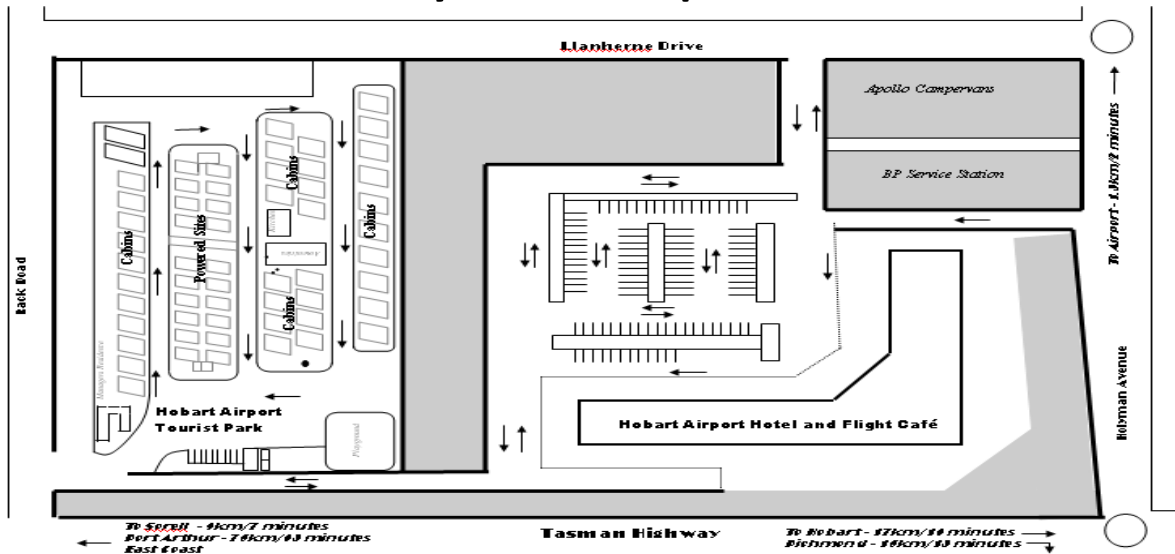

Hobart Airport Hotel and Tourist Park is ideally located for the Coach Leisure Market. The complex was developed by Sultan Holdings between 2008 and 2010 and incorporates a 78 room hotel, 38 self contained cabins, 24 hour service station and vehicle wash.

Coach drivers utilising CBD hotels are consistently remarking upon the difficulty of manoeuvring large vehicles in and out of these premises, traffic congestion exacerbated by Hobart's one-way road system.
